

## About Us

Y-City Baseball is a not-for-profit organization that has been serving the youth of Zanesville and Muskingum County for decades. We are a totally volunteer organization, relying on our coaches, parents, and valued sponsors, to keep our leagues operating. Our facilities are located along Newark Road in Zanesville, just south of the Rt. 146 intersection. Our baseball programs are open to all boys and girls, ages 6-12. Our League offers three specific skill levels: Coach pitch (ages 6-8) Kid pitch beginners (ages 9-10) Kid pitch intermediate (ages 11-12)
